

Research Activate

Research Development and Support

An initiative to bring Flinders' research community together to inform, inspire and share strategies for research success.

Research Integrity and Misconduct

How to do research at Flinders University, in line with the Australian Code for the Responsible Conduct of Research. Of relevance to all researchers and research support staff.

Tue 12 Jun, 12:30-13:30 [Book Now](#)

Identifying Journals: Where to Publish Your Research

An introduction to tools that identify journals by discipline area, and tools that measure journal quality (including impact factor, SJR, Eigenfactor score, and SNIP). (Flinders Library)

Thu 14 Jun, 10:00-11:30 [Book Now](#)

A systematic approach to Literature searching

The systematic search is the foundation to good research. This workshop will present a reliable and reproducible method for planning, conducting, and documenting a systematic search. (Flinders Library)

Mon 18 Jun, 9:30-11:30 [Book Now](#)

Research Data Management

Learn what research data management is, why you should do it and why it is important. Covering the basics, by session end you will have a draft data management plan, and ideas for good practice in data storage, formats, sharing and licencing. Content is suitable across all disciplines. (Flinders Library)

Wed 20 Jun, 9:30-12:30 [Book Now](#)

The Research Environment, Funding Categories and how to apply for funding

An overview of the research landscape in Australia and research strategy at Flinders. Discussion, definition and context of Category 1, 2, 3 and 4 grants, plus the support and services available to researchers.

Mon 25 Jun, 9:00-10:00 [Book Now](#)

Capturing and Reporting My Research Activity

How to identify capture and report all research outputs, and use them to demonstrate research track record. Learn about ORCID and sign up in session.

Mon 25 Jun, 10:15-11:15 [Book Now](#)

Crafting Capability/Research Environment Statements

Considerations for tailoring statements to address the research environment and capabilities around a project - a requirement of an increasing number of government and industry funding bodies.

Mon 25 Jun, 11:30-12:30 [Book Now](#)

ARC: Strategies to enhance Discovery Project Success

An interactive session involving Research Development and Support staff and senior researchers who will discuss and advise on Discovery Project strategy, planning, preparation and process. An open floor will encourage Q&A.

Wed 27 Jun, 9:00-10:00 [Book Now](#)

ARC: What makes a Linkage Project fundable?

An interactive session involving senior researchers who will discuss and advise on Linkage Project strategy, planning, and preparation. An open floor will encourage Q&A.

Wed 27 Jun, 10:15-11:15 [Book Now](#)

ARC: How to write a DECRA/Future Fellowship application

How to prepare and write a compelling Fellowship application. This will be followed by panel session with DECRA and Future Fellow recipients.

Wed 27 Jun, 11:30-12:30 [Book Now](#)

Presenting your Research Track Record in the best light

Properly describing your track record to make it easy for assessors to assess. Discussion will address ARC Research Opportunity and Performance Evidence and NHMRC Relative to Opportunity and Career Disruption.

Wed 27 Jun, 1:00-2:00 [Book Now](#)

Finding Funding Opportunities

Navigating Research Professional to access local, national and global opportunities. Sign up in session for your own, bespoke funding announcements delivered to your inbox.

Fri 29 Jun, 10:15-11:15 [Book Now](#)

Costing My Research

Budgets - approach, key considerations, how to plan, find what you need, and cost your budget. Includes working through a budget template and examples of good practice preparation.

Fri 29 Jun, 11:30-12:30 [Book Now](#)

Significant changes to NHMRC funding

Research Development and Support staff and senior researchers will present an overview of the major changes to NHMRC funding schemes. The session will cover: How has NHMRC changed? How does it affect me as a researcher? Which one do I apply for? An open floor will encourage Q&A.

Fri 29 Jun, 1:00-2:00 [Book Now](#)
